

## How to assemble your X-keys Stick Rack Mounting Kit

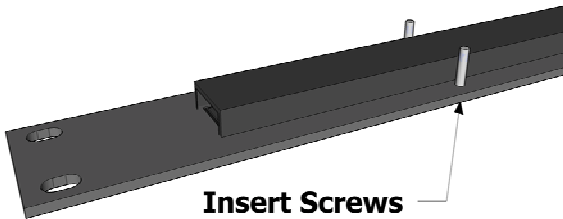

**Remove End Cap**

1. Remove the end cap from the X-keys Stick.

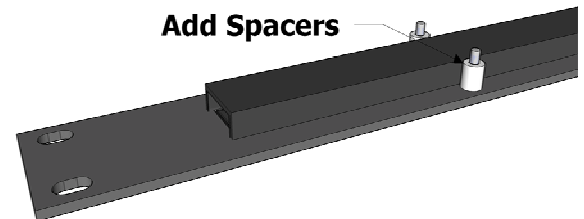

2. Fit the Stick into the rack mount panel.

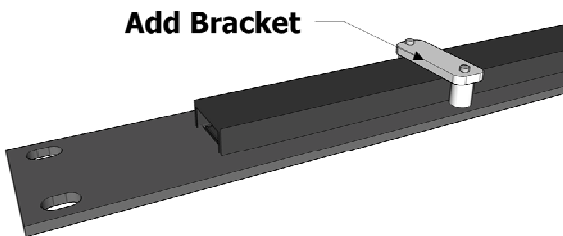

**Insert Screws**

3. Insert screws in the rack mount panel.

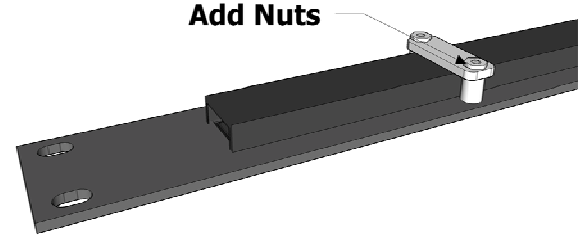

**Add Spacers**

4. Slip spacers over the screws.

**Add Bracket**

5. Fit a retaining bracket over the spacers.

**Add Nuts**

6. Loosely thread nuts onto the screws.

7. Repeat steps 3-6 for the other end of the panel.

8. Tighten all nuts.
